BIO

By day, Apurva studies the atmospheres of moons and exoplanets as a planetary scientist. By night, as EuroPaOza, he brings that same obsession with rhythm and resonance to the decks – building sets that move like orbital systems, layering Bollywood and Punjabi classics against Berlin house, Afrobeat, hip-hop and disco. Every set is mixed live and, increasingly, rendered as its own generative, audio-reactive visual companion.

ON THE RIDER

WHAT EUROPAOZA BRINGS

DJ Sets

Genre-fluid, floor-read sets spanning Bollywood, Punjabi, Berlin house, Afrobeat, hip-hop and disco. Custom mixes produced and named for your event on request.

Choreography & Folk Dance

Folk and Bollywood choreography for sangeets, showcases and set-piece performances.

Live Dhol & MC

Baraats, entrances and drop-ins with live dhol layered into the mix, plus hosting and hype duties on the mic.

Formats

Weddings & baraats, club / boiler-room sets, private parties, cultural festivals and one-off events.

SETUP

Travels with own controller and monitors; full PA and lighting available on request. Advance notice welcome for custom mix requests tailored to your event.
